### **Q MAG donates \$100,000 to Rockhampton Mayoress Regional Charity Foundation**

Q MAG has confirmed a \$100,000 donation to the Rockhampton Regional Council Mayoress Regional Charity Foundation. The Foundation will be applying this money to assist with restoring community, charitable and sporting facilities and organisations that have been significantly impacted by flooding.

Q MAG Managing Director Alan Roughead said:

“The recent flooding has had a devastating impact on the Rockhampton region and its community. Q MAG employs 350 people and is an important part of the community. The directors and employees are proud to be able to assist in this way to help the community rebuild and get back on its feet.”

Rockhampton Regional Council Mayor Brad Carter said:

“The donation from Q MAG, which established in 1991, highlighted that large industries based on the resource sector are committed to supporting our sporting and cultural community. Q MAG is a significant employer which competes in a very competitive global market and in tough global economic times this donation is an outstanding contribution to our community.”

Chair of the Mayoress Regional Charity Foundation Gail Carter said:

“The Foundation and I are delighted to see such a strong contribution from a major employer which will make a big difference to our sporting and community organisations to rebuild, repair and restart their facilities and organisations. This donation will have a major impact on the lives of our community members. We sincerely thank the board of directors and employees of Q MAG.”

### **About Q MAG**

Q MAG has been in operation since 1991 and is one of the world's largest producers of DBM, EFM and CCM for the global refractory and chemical markets. Q MAG holds mining rights over extensive magnesite resources at Kunwarara and Yaamba, which together comprise the world's largest known deposit of high quality cryptocrystalline magnesite.
